God's Love Is Here for You

May 6, 2021

Tina Johnson, E-newsletter editor

Happy Mother's Day, friends!

How fun to see your photos of mothers this week! I hope they bring back good memories for you and remind you of your mother's love. Many of us are not able to be with our mothers on Mother's Day, but always they are in our hearts.

What do you love about your mom?

My mom, Alice "Elaine" Kornspan, is funny, smart, and makes the best potato salad in the world. She is a people person and will talk to anyone! She has a wonderful laugh—and laughs often. She is kind—to family, friends, and strangers. She is an avid reader of novels and newspapers and likes to read aloud to others. She loves to play bridge, watch Wheel of Fortune and Jeopardy, go on cruises, and sing in church choirs.

She worked as a nurse and a real estate agent before she and Dad retired and moved to Florida around 1990. There, when she wasn't taking care of Dad and Grandma, she worked in paid and volunteer positions preparing taxes for folks. She has also helped in the schools and with elections, served as an usher for a local concert hall, and serves in a variety of ways in the senior living community where she lives, including welcoming new residents. She prepares meals and desserts to give to people who are grieving or sick and drives people to doctor's appointments or takes them grocery shopping.

Pastor Karen's mom and dad

I could on and on about my mother, but on this special day, when we honor our moms and give thanks to God for all the ways He cares for us through people in this world, I just want to say, "Thank you, Mom. I love you!"

Blessings of joy, peace, and love,

Pastor Karen

Thanks, Mom!

At his graduation, a young man tasked with giving a speech began reading from some notes. "I want to talk about my mother and the wonderful influence she had on my life," he said. "She's a shining example of parenthood, and I love her more than words can ever do justice."

The graduate then paused, appeared to struggle a moment and looked up at the audience with a mischievous smile. "It's really hard to read my mom's handwriting," he said.
